Information not established

This statement does not confirm receipt of the ledger payment, SHOP enrollment or a statutory exception, a qualifying arrangement, annual eligibility, prior credit use, annual net premiums or annual limits. Matching amounts and overlapping dates are only a potential match for review.

Fixture provenance and proposal boundary

INTERIM RECONSTRUCTED: derived solely from the local fixture demonstration and written specification. This is not an original handoff PDF or a real financial record. Original-bundle reconciliation remains pending.

The explicit USD statement and money labels are proposed test additions only; they do not establish the currency of the missing original handoff.
