Initial business records

Juniper Lane Bakery LLC | Historical demonstration: 2025

Currency: USD. All money amounts on this page are stated in US dollars (USD).

Payment ledger excerpt

One recorded payment is shown below. This ledger entry alone does not establish the coverage period, the employer premium share, or annual tax-credit eligibility.

Date	Description	Category	Amount (USD)
2025-06-05	Health insurance payment	Insurance	$1,200.00 USD

What this record supports

A recorded insurance payment of $1,200 USD on June 5, 2025. No insurer confirmation, coverage dates, employee premium split, or full-year data is provided here.

Fixture provenance and proposal boundary

This proposed synthetic document derives from the interim reconstructed local demo fixture, which was reconstructed from the written build specification. It is not an original handoff document or real financial record.

The explicit USD statement and money labels are proposed test additions only. They do not establish the currency of the missing original handoff. Original-bundle reconciliation remains pending.
